Winans family, CeCe Winans (born Priscilla) became a prominent contemporary gospel artist through her work in the late 20th and early 21st centuries. Her album "Alone In His Presence" was released in 1995 and has since become a beloved part of the gospel music canon. With its powerful messages and soulful melodies, the album resonates with listeners seeking solace and strength in their faith. The track "Alone In His Presence" encapsulates the essence of the album, invoking a sense of peace and quietness in the listener's heart.

The title track, "Alone In His Presence," is a testament to the comfort found in the divine presence. With lyrics that speak of safety and serenity, the song invites listeners to find refuge in the arms of their loving Creator. The chorus, "I'm safe and sound, serene and calm. Whenever I'm here, I know you're near me," speaks to the intimate and personal relationship that can be cultivated through prayer and devotion.

The influence of CeCe Winans extends beyond her music, touching lives with her dedication to sharing spiritual messages and encouraging others to deepen their relationship with God. Her work has earned her the respect of fans and critics alike, solidifying her status as a pivotal figure in contemporary gospel music. Through her art, she continues to inspire and uplift, reminding listeners of the power of faith and the comfort that can be found in the presence of the divine.
