Jean-Baptiste-Camille Corot, the most important landscape painter in France in the late 19th century, inspired a new generation of French landscape artists. He often entertained friends by reciting poetry; Shakespeare was his favorite poet. Lady Ridley-Tree's ability to see beyond the next horizon has her own unique style. She saw Corot as the poet of landscape, who feels, who suffers, broods, and sings of the horizon.

Corot's work has a lyrical quality while the strong brushwork and bright colors of his oil sketches, painted outdoors and characterized by their bright colors in addition to poetic landscapes he painted portraits, and, seeking greater freedom, painted landscapes with figures of his own imagining, evolving a distinctive, poetic style.

He may be, say, a yellow barren steppe that extends to the horizon in all directions, and show that he preserved his clarity of vision and noble refinement of color to the end. 9780500974438: Corot: The Poetry of Landscape - AbeBooks. superlative Les Etangs de Corot His art was fueled by a profound love of the natural world, and the vision he pursued was his own.
